

Multi Drop Delivery Driver

Due to continued expansion, Smiths-Briten, who are one of the leading Bathroom Distributors in the UK will be expanding its operations from its depot based in Slough.

We are looking to recruit a highly motivated and enthusiastic driver to join our team, who following training would be able to carry out multi drop deliveries on behalf of the company throughout the South East area. Responsibilities will include meeting the overnight trunking vehicle and transship orders over to the 3 vehicles in the morning ready for same day delivery to our customers.

The starting time for this position will be from approx.. 6am-6.30am onwards and the working week will consist of 48.5 hours and we will require some flexibility on the working hours as the business pattern develops.

Prior knowledge of multi drop driving is essential and some prior knowledge of bathroom or plumbing products industry would be advantageous, but not necessary as full training will be given.

A full UK driving license is required, and a counterbalance fork truck license would also useful, but not essential. A full induction and training programme is given and the successful applicant will be given a clear and concise overview of our business operations and our expectations as an employee.

Salary would be commensurate with experience and a company pension scheme is in operation along with other employee benefits you would expect from a leading industry company.
